### **REMARKS/ ARGUMENTS**

Applicant has carefully studied the final Examiner's Action mailed July 22 17, 2008, having a statutory period for response set to expire October 22, 2008. The amendment appearing above and these explanatory remarks are believed to be fully responsive to the Action. Accordingly, this important patent application is now believed to be in condition for allowance.

#### ***Amendments to the Drawings***

Applicant has amended the drawings, deleting page 24 as requested by the Office. The figure numbering for Figures 1 and 2 have been relocated to below the figures. No other changes have been made to the drawings.

#### ***Conclusion***

Applicant respectfully requests that a timely Notice of Allowance be issued in this case. If the Office is not fully persuaded as to the merits of Applicant's position, or if an Examiner's Amendment would place the pending claims in condition for allowance, a telephone call to the undersigned at (813) 925-8505 is requested.

Very respectfully,
